CLASSROOM WITHOUT WALLS

We are not only gaining knowledge and experience inside the walls of our school but also in the classroom without walls through practical learning in the nature involving different fields of science such as biology, chemistry, mathematics etc.

On the other hand, history and geography as well are not left behind since field task also require the knowledge of these subjects too!

Our classrooms without walls include:

- Field trips
- Excursions
- Museum and fair visits (Book fairs, Science fairs...)

SAVREMENIJADA

Following its tradition, Savremena organises Savremenijada and Savremena Olympic games. The purpose of these events is to challenge and test knowledge and teamwork of its students through fun and entertaining games.

Savremenijada -

- Mind games 
- Fun science games 
- Writing and language games
- Art challenges

Savremena Olympic games-

- Various types of sports -  basketball, volleyball, athletics, football, handball etc.
